

# Submission Process

To submit your artwork to The Majesty Project, please ensure your piece adheres to the above guidelines and submit the following:

1. **Artist Statement:** A brief explanation of your subject matter and technique, discussing how your work reflects God's glory, scriptural values, or the gospel message in some way. Please attach a reference Bible verse if possible.
2. **High-Quality Images:** Photographs or digital images showcasing the details and scale of your art. Please ensure good lighting, decent quality, and clearly visible representation of your artwork. Blurry or poorly lit images will make it impossible for our panel to view your submission.
3. **Dimensions:** Specify the size in inches and any relevant installation requirements.
4. **Portfolio:** If available, please include a selection of past works that demonstrate your technique, style, and general sizing.

## Submission Review Process

- Submissions will be evaluated by a panel of the Majesty Project team within 7–10 business days.
- Artists will receive follow-up communication regarding the decision after this time.

## Accepted Artwork

If your artwork is accepted by Majesty Project, our team will begin the process of placing it where it can make the greatest impact. We will work with organizations and community spaces across the country that desire Christ-centered artwork and carefully determine the best home for your piece. If you have an organization in your area that you would like to try to donate the piece to, please inform us of that information in your submission email.

Majesty Project will oversee all next steps, which may include framing (if needed), shipping and handling, storage, and final installation.

While we make every effort to partner your art with the right organization, please note that timelines for placement and installation of donated pieces cannot be guaranteed.

## **Terms & Discretion**

The Majesty Project **reserves full discretion to accept or decline any submission.** We appreciate the commitment and creativity each artist brings, and we look forward to how your work can contribute to our mission to reveal God's majesty.

Thank you for considering this opportunity to honor the Creator through your art.
